

North Carolina Society of Radiologic Technologists, Inc.  
AN AFFILIATE OF THE ASRT

Dear NCSRT members,

It is with deep regret that I inform each of you of the decision of our Board Chair, Bob Styres, to resign from his position. Bob has been a vital component to our organization and we will surely miss him. Unfortunately, situations arose within his personal and professional life that he felt this decision was in the best interest of the board and its membership. Good luck Bob in all your future endeavors and we thank you for all you have done for the NCSRT!

Our past board chair, Melissa Jackowski, has graciously stepped up and has agreed to finish out Bob's term. We are very grateful to Melissa as she takes over this leadership role once again. Thank you, Melissa, and welcome back.

Linda Yurko  
President, NCSRT, Inc.
